

Marketing Associates - Immediate Opening (Upstate New York)

RISE Engineering, a division of Thielsh Engineering, Inc., is one of the longest operating energy services companies in the country. RISE has **immediate openings** for two temporary, part-time, Marketing Associates to support lead generation efforts for a small business energy efficiency program.

The ideal candidates will be outgoing, energetic, analytical and well-spoken, with the ability to initiate and carry on conversations with local business owners. Candidates will be able to perform the following duties:

- Clearly explain the parameters of the small business energy efficiency program (training will be provided)
- Work from a pre-selected report to identify businesses-centric geographic areas
- Travel throughout the Capitol Region, Mohawk Valley, Adirondacks and Watertown to distribute literature and explain the energy efficiency program benefits offered through National Grid
- Gauge interest and existing conditions related to energy use within target businesses. Expect, accept and overcome resistance from business owners.
- This is an outside sales position which will require local travel and some overnight stays in various upstate NY cities

The terms of the position are approximately 25 to 30 hours per week for 3 months without benefits. Payment will be provided in an hourly wage. To learn more about RISE, please visit our website at www.riseengineering.com. If you are interested in applying for the position, please follow the Careers link on our website and fill out an employment application or send a resume to ppalumbo@thielsch.com. Be sure to indicate the position/location you are applying for.
