

Marketing Intern (Summer)-Immediate Opening (Vermont – Geo-targeted areas)

Rise engineering, a division of Thielsch Engineering, Inc., is one of the longest operating energy companies in the country. RISE has an **immediate opening** for a Temporary, Part/Full-Time, Summer Intern in Vermont to explain energy efficiency programs to local business owners and to motivate them to sign up for free energy surveys. Our office is located in South Burlington, VT but the targeted area will include Rutland, Brattleboro and St. Albans

The ideal candidate for this position will:

- Be a resident of Vermont
- Have a valid driver's license, good driving record and dependable transportation
- Be outgoing, energetic, and well spoken - able to initiate and carry on conversations with local business owners
- Be able to walk daily (4 to 5 miles) within some of Vermont's more populated cities and towns to distribute literature and explain the energy program offered through Efficiency Vermont
- Be able to accept/expect resistance from business owners but will persist at stopping into local businesses to explain the program and motivate customers to sign up for a free energy survey
- Be over 21 years old

The terms of the position are 30 - 40 hours per week for 6 to 8 weeks without benefits. Payment will be provided in an hourly wage. To learn more about RISE, please visit our website at www.riseengineering.com. If you are interested in applying for the position, please follow the Careers link on our website and fill out an employment application or send a resume to ppalumbo@thielsch.com. Be sure to indicate the position/location you are applying for.
